

FORWARD IN FAITH

Furnishing Sponsorship

As we move to the completion of our new campus, there is a need for quality furnishings that will stand the test of time. These furnishings will be used to live out Light of Christ's mission for years to come.

You are invited to make the gift in honor or memory of someone who God has used in important ways in your life, or choose to have the gift designated from you (and your family). In order to keep inventory availability up to date, please visit our website / app to make your gift.
