

Dear Preschool Parent,

We are excited to share this invitation with you! Amid this challenging year, we want to direct you to a hopeful opportunity in the fall.

As your child is growing — and how fast it's happening! — you are undoubtedly thinking about the next right steps for them. You may already be investigating preschool opportunities for the fall.

If you are looking into that, we want to invite you to stop by and visit at Light of Christ's Preschool in our new Church/Ministry Center. We built "state of the art" rooms for preschoolers and our two full classes now are already enjoying them. We plan to expand our offerings in the fall and want you, as a family connected to LOC, to get the first opportunity.

Our preschool...

- ❖ Offers a variety of programs:
 - 2-year-olds, one day a week
 - 3-year-old, 2- and 3-day programs
 - 4–5-year-olds, 3- or 5-day programs
 - Afternoon enrichment
- ❖ Is Christian-based, child-centered, and through a developmentally appropriate academically enriched environment, prepares children for academic success in school.
- ❖ Has a quality reputation in the community—some of our classes will fill very quickly!
- ❖ State-licensed and attentive to all safety, health, and quality dynamics.
- ❖ Staffed by positive, loving, and knowledgeable staff.

Next Monday, February 1st registration opens for Light of Christ families, and we will be holding a limited- capacity open house in the evening from 5-7PM. If you would like to visit, there will be a limit of five families each half hour, so you would need to sign up below to get your slot for a tour. Current families will be able to register that following Monday, and then it will open to the community two weeks later. We expect some of the programs to fill up relatively soon and we don't want you to miss out.

Betsy Shower, our Interim Director, and other teachers will be available to provide tours that evening and answer your questions. Tours are also available during the week by appointment. If you have any questions, feel free to call Betsy at (847) 658-0955. Blessings to you as you make these important decisions in the life of your child.
